

Dear Friends,

Please remember that Sunday's worship will be at 10 AM, followed by brunch in Fellowship Hall. We will share in a Ministry Expo as our worship service this week, a means by which we will celebrate the ministries here at Calvary and where we may seek to go in new ways and ministries.

As we seek to open the doors at Calvary to the community, we open ourselves to looking at our church community in new ways, discovering new talents and interests and looking for ways that we might open the doors for others in Christ.

This is the vision of our Opening Doors to the Future campaign. It is an exciting vision! As we implement it, we do need to care to care for the debt that is before us.

I hope you come to worship, this week at 10 AM, to share with our whole church family, to eat, and to open the doors to the future at Calvary!

Grace and Peace,

Bob Kolvik-Campbell
